Re: *United States v. Ridon Kola*, 23 Cr. 193 (CS)

Dear Judge Seibel:

The Government respectfully writes to request on behalf of the Bureau of Prisons (“BOP”) that the deadline by which BOP personnel at Federal Medical Center Devens (“FMC Devens”) must submit a report to Court containing the results of their evaluation of the defendant under 18 U.S.C. § 4246(a) be extended to August 18, 2025. The Court’s order entered July 7, 2025 (Dkt. 27) requiring such evaluation and report, with the consent of the parties, set a deadline of August 8, 2025. The Government understands from BOP personnel at FMC Devens that more time is needed due to the relatively short turnaround for such an evaluation and report and the fact that certain essential personnel will be on leave for part of the interim time period. The Government has conferred with James Roth, Esq., counsel to the defendant, and Mr. Roth consents to this request.

Respectfully submitted,

JAY CLAYTON
United States Attorney
Southern District of New York
